Sub: - Clarification regarding the charging of maximum recorded demand in respect of consumer availing open access facility.

In the subject cited matter, it is to intimate that in respect of Open Access Consumers, the reading of TOD Meters shall only be considered for recording the Maximum Demand. Further, it is to clarify that TOD Meters are being installed by HPSEBL in compliance to the CEA Metering Regulations and thus reading of TOD Meters shall only be considered for all the billing purposes in respect of all the consumers of HPSEBL including Open Access consumers. Accordingly, the Energy Charges and Demand Charges (where applicable) shall be calculated based on the reading of TOD Meter only and not ABT Meters. It is therefore requested to ensure necessary compliance.

This bears the approval of Director (Operation).

With regards,
